Johnny Duchak in the Montreal News

April the 25th, Johnny Duchak, Display Department was the guest of Air Vice Marshall McEven for a reunion of the No. 6 R.C.A.F. Bomber Command of which Johnny was a member. It was held in Montreal to commemorate the last raid on Wanger ooge.

The Montreal Herald carried a picture of Johnny surrounded by a group of admirers as he pointed out interesting features in his squadron cartoons.

The Montreal Gazette, "One of the biggest bursts of applause of the evening came when "Nappy" Duchak of Regina, 6 Group's famed cartoonist was introduced to the crowd. The auction of his cartoons brought a tidy sum into the Group coffers and there was considerable "black marketing" going on later as unsuccessful bidders tried to purchase squadron cartoons from the lucky ones."

HUMOUR - - -

Mr. Jones: "Does a rabbit's foot really bring good luck?"

Mr. Johnson: "I should say so. My wife felt one in my money pocket once and thought it was a mouse."

Because of a transportation strike, a man was carrying a grandfather's clock down a crowded main street to a repair shop. Because the clock limited his vision, he unintentionally collided with a woman, knocking her down. After collecting her composure and packages, the women struggled to her feet and scathingly inquired: "Why don't you carry a wrist watch like everybody else?"

* * *

Mrs. Brown: "She told me that you told her the secret I told you not to tell."

Mrs. Green: "The mean thing! I told her not to tell you I told her."

Mrs. Brown: "Well, don't tell her that I told you she told me."

* * *

Blank: "Women are braver than men."

Blank "They certainly are; you never saw a man try on six suits of clothes with only 30 cents in his pockets."

OVERHEARD AT WILLIAMS

1st Lady, with small boy—There's Simpson's bus!

2nd Lady, also with small boy—Let's take the children for a free ride. We don't have to get off.

—And they didn't!

Could this be Bomphray and Duchak?

WAY BACK WHEN

Reading from left to right, Bill Palmer, Jim Ing-ham, Bill Letourneau, Bert Hastings, George Wolver, Stan Larkin, Lindsay Duncan.

Were they playing cops and robbers, or was it a fancy dress ball? Snap was taken just 20 years ago at Simpson's Annual picnic held at Lebre, 1928.

Softball Teams Win \$100 in Prizes

Simpson's Softball teams walk off with the money at Weyburn's Sports Day Held May 24th.

May 24th was a good day for Simpson's softball teams as the boys romped off with top honors in their event and the girls followed with 2nd prize in the womens contest.

The trip was made possible by the generous gesture of the Company who supplied trucks and drivers to convey the teams to and from Weyburn.

The boys were a tired bunch of fellows when the last out was called at 9.30 P.M. for it was their 4th game in a series that began at 10.30 A.M. The spoils, however were well worth the effort and it erased all thoughts of a disastrous first game in Milestone last year.

Weyburn and Colgate Highlights

The first game was a walkover and the boys had trouble keeping track of their runs (over 20) while the opposing Radville team were garnering only 1.

The second game against Colgate 9 proved to be a real thriller and came close to writing finis for the Simpson outfit as our boys went up for their last time at bat with the score reading 1-0 for the opposition. It was do or die—and they did—with Ross Heuser obligingly knocking in E. Reaney, with a stinging single for the tying run, and small (but mighty) Johnny Geisinger duplicating with another single that scored Ross with the clincher (and 2 out at the time!)

The third game against the Regina C. P. Express team was won by a score of 9-4 and it was evident that the boys had regained their first game form as the final game versus the local Weyburn legion was won hands down 9-1.

The line-up: Pitchers E. Deck and J. Resh. Catcher H. Stillwell, 1st base, T. McRadu, S. S. J. Kirkland, 2nd Base F. Yerhoff, 3rd Base R. Holmes, Left Field E. Reaney, Centre Field, J. Geisinger, Right Field, R. Heuser, Coach O. Shea (Better watch your laurels Dave) Base Coach W. Holmes He stuck with us through thick and thin).

Yerhoff in Chess Tourney

Frank Yerhoff, Simpson's Chess Champion is in Quebec matching his wits against Winnipeg, Montreal, New Brunswick and Quebec contestants. June 26th he had 4½ points after defeating Gerard Nadeau of Quebec in 38 moves. (He still has an adjourned game to play that could bring him well up to the winning contestant.)

Midale and Estevan Highlights

In the first game against Midale our girls came through with a fairly easy 8-3 victory with Gladys Shera pitching great ball.

In the second game we had another battle that equalled the mens for excitement. There was no score up till the third inning when Gerry Verbeke knocked in Lou Bunbridge, for what proved to be the only run out of the game.

In the final game against Estevan our girls got off to a bad start and the score ended up 14 to 3 in favor of the Estevan Imperials.

The girls never gave up however and battled till the final out.

* * *

Girls' Team Players

Toily Ehmman, catchre; Gladys Shera and Mary Abramson, pitcher Prudy Clarke, first base; Jean MacDonald, second base, Mary Flasch, shortstop, Marg. Tempke, third base, Lila Hill, left field, Lou Burbridge, centre field, Marion Hines, right field, Gerry Verbeke, right field, Jean Unguerin centre field, Joyce Dacey left field, Joan Farthin catcher.

In Regina's league, our teams are showing a complete reversal to last years form. The girls walking rough shod over the other teams in their league with the boys still having to win a game! The girls won their first two games by football scores and then lost a close one by 6-5.

The boys have lost three straight—though it must be admitted that they put up a fair battle in each case and only lost by very slim margins. In the meantime, Dave's frown is spreading and Orville's victory cigar is growing staler and staler!

LEO MUCHOWSKI 25 YEAR CLUBBER

Back in August of 1921 a young lad was employed on the Delivery staff of R. H. Williams. In those days a horse and rig was still considered to be a modern means of conveyance. Young Leo Muchowski liked his job of delivering groceries, meats and dry goods to homes throughout the city and during the passing years has watched Regina grow from a small prairie town to the city of sixty thousand people it is now. With the horse and wagon a thing of the past Leo now drives one of our smart panel trucks and he still finds his job very interesting. He likes gardening and is very sports minded.

Leo was born in Regina, is married and has 3 children. Both he and Mrs. Muchowski are looking forward to their trip on the 25 Year Special to Toronto this fall.

Not to be outdone the executive of the Social Club, Orville Shea, Carrie Kurtz and Hank Britton visited her home one night and presented Mrs. Parkin with an engraved casserole and a purse of money.

In 1926 Mrs. Parkin became a Social Club member and in 1928 was appointed librarian. She later became honorary librarian, a position she still holds today—almost 20 years of assuring all material. Mrs. Parkin is now at Glen Erin Hall and health and happiness.

When Good Fellows Get To-gether

On Tuesday, May 27, Mr. Fraser Reid and Mr. Stan Larkin of the Mail Order and Mr. Bill Farr and Mr. Sid Langhelt of the Retail gathered with the City Delivery drivers in the Tea room for a much enjoyed dinner meeting. The table was centered with a miniature garage in which were a number of toy trucks with cigars, cigarettes and candies.

After dinner Mr. Lew Reilly outlined the aims and policies of the Company with regard to deliveries and the four guests added their suggestions on how to best serve our customers. This meeting also gave Mr. Reid, Mr. Farr, Mr. Larkin and Mr. Langhelt an opportunity to become acquainted with the delivery staff.

A Success Talk

by Roderick G. Stevens

The "Lower Road" over life's journey is down grade all the way. It affords easy means of transportation—there are gay and hysterical crowds to cheer you as you pass—there are bands and orchestras to make music—there are many mirages and optical illusions to lead you on and there is much "leisure" among the happy-go-lucky wayfarers.

Yes, this lower road offers enchantments of a varied nature until you get by the last connecting path to the great Highway of Progress—then you become thirsty—you experience hunger for more practical and permanent things—you feel the pang of wasted opportunities and suddenly you are jolted by the husky voice of Failure crying out, "All off!—far as we go".

Job Instruction Training Course Completed

The Training Department has completed another Job Training Course for employees in various Departments of the Company. We hope that they will take full advantage to promote and use what they have learned for there is no limit to what may be achieved by those who apply themselves to the job on hand. There is no business in the world that requires more health, brains, character and courage than selling—selling either across the counter or behind the scenes.

Reading from left to right: Miss B. Morrison, Manageress Buying Department; Mrs. M. Schellenberg, Trainer Buying Department; Mrs. E. Bull, Traffic and Customs; Miss T. Vervalcke, Section Head Cancelling; Mr. W. Barrell, Special Training; Mr. W. Walters, Manager Departments 40, 41, 42, 44; Miss E. Allaire, Trainer Cancelling; Mr. H. A. Head, Manager Mail Filing and Checking; Miss G. Meggeson, Trainer Cash Office; Mr. D. Johnson, Department 860; Mr. C. E. Burton, Manager Departments 29, 30, 36, 52, 54; Mr. H. Britton, Section Head 8th Floor.

Simpson's Bus Gets Big Send-off

On a bright morning in May, a new service was added to Simpson's long list. The new 30 passenger bus made its first trip from Williams to Simpson's at 9 o'clock, Tuesday morning, May 20th. The first passenger was Mrs. Howard and it was her birthday, by an unique coincidence. This added convenience to customers has been much appreciated as shown by the number of shoppers who daily use this means of transportation between the two stores.

Mr. Gingerick, Mr. Hindle, Mr. Baker, Mr. Farr, Mr. Colebrook, Mr. Brunt, snapped in front of the bus on Hamilton Street.

Up and Coming Star Reporters

**Mrs.
Mary Brown**

Mary works as a cashier in the Groceteria of our downtown store. She says that looking after her husband and her home doesn't give her much time for hobbies but she finds reporting for the Digger very interesting.

**Johnny
Sinclair**

Johnnnny has worked in the Men's wear for 5 years before he left in June to make his home in

Vancouver. He made many friends while at Simpson's and would like to say farewell to those he missed when he left. We'll miss you, Johnny.

Aspiring to loftier moments . . . both at work and at play . . . Joyce Bond, one of our Retail Advertising belles . . . finds her leisure moments more than alluring around the tarmac and aprons of The Regina Flying Club.

An enthusiastic aviatrix, Joyce started flying (she won't say when) and is by now more than competent in the art of "flips and flaps". For 3½ years, she was associated with Club Aircraft.

Joyce also has the distinction of being the first woman in Western Canada to make a voluntary parachute jump. But whether she would rather wear the silk around her head or her heels, is for her alone to say.

To Joyce, our hobbiest of the month, "The Digger" takes off its hat.

FUN ON SKATES

If you've never been roller skating,
Then you've never seen any fun
As some girls from Sales Analysis and Pricing
Learned, one night when their days work was
done.

They met at the Arena on Robinson St.
And soon each and every one
Had eight little wheels to stand up upon
Instead of two neat, steady feet.

They laughed as they tried to stand up on their
own,
Some with fears, but no tears, as they found
It wasn't a case of just standing up
But going forward and around.

And when at long last their skating was done
To the home of Miss Lyons they went,
To have coffee and hot dogs—to tell how they
felt
After having such wonderful fun.
